

How to order your Free Printed Advertising Banner

If you are planning running a workshop we would like to help you out with your advertising. We are currently offering you a FREE 6ft x 2ft advertising banner hemmed with eyelets ready for hanging.

Your banner will be digitally printed in full colour on heavy duty PVC banner material. Completely weatherproof they can be screwed to walls, mounted on fences or attached to railings.

Design example below

Why can we offer you a Free Banner?

Needcraft is a division of Martin Dannell & Co Ltd. We also have another division "**Needprint**" which specialises in all aspects of print, from business stationery through to large format banners and display systems.

Needprint will print your free banner, so if you, your friends, family or work colleagues need anything printed please contact us for a free no obligation quotation.

How to Order Your Banner

Go to our needprint website [click here](#)

1. Select the **Banners** Category, and then select the **Start Now Button**
2. Step 1 - From the drop down list of banner sizes select the **6ft x 2ft banner**
3. Step 2 - You have choices to upload your artwork, or design online in our studio.

If you wish to design in our studio we have lots of clip art that you can use to design your banner.

When you are happy with your design, or you have uploaded your artwork, add the item to your basket and checkout. You will have to pay for the banner to get your order into our system.

Once the checkout is complete you will receive an email from us with your order number.

Send us an email quoting the order reference and we will immediately refund your payment card.
