Bring New Revenue To Your Business

If you work with fabrics you could be missing out on a great opportunity to increase your sales revenue by supplying professional handmade lampshades to your clients.

Also provides a great opportunity to learn new skills and offer more services.

We supply everything you need to make your own lampshades including free help and support.

How To Make Lampshades

The easiest way to learn is to use our lampshade making kits. They are designed and intentionally engineered to make professional products.

The kits are easy to use, supplied with clear and comprehensive instructions with colour photographs.

Take a look at our blog and you will be inspired to read the stories about lots of our customers that started with kits and now offer successful lampshade making services.

We also have training videos on our [YouTube](#) channel for you to view.

If you need any help or advice, call us anytime and speak with a member of our friendly team.

Lampshade Making Kits

Make your own lampshades with our easy to use DIY kits.

Add your own fabric or wallpaper and follow the instructions in the box, it's that easy.

Designed to fit any UK (B22) or European (E27) Table/Floor lamps and pendant (ceiling) fittings.

We manufacture a comprehensive range of shapes and styles including Oval, Rectangle, Square, Coolie, Empire and Candle designs but the most popular shape is the Drum.

The kits are available in a large range of sizes and can be accessorised with diffusers and different colour linings including metallics.

Haberdashery Retailers

Kits and fabric make the perfect product partnership.

Purchase our lampshade making kits to retail and cross-sell with your fabric stock.

Lampshade Manufacturing Packs

It has never been easier to design and manufacture your own professional lampshades with our manufacturing packs.

All the essential components supplied compactly in one box at the most economical rates.

Purchase these packs and you're in business straight away with your designs with full instructions and support on how to make the lampshades. All you need to add is your covering of choice, any piece of fabric or wallpaper can be used.

They are convenient to use and easy to store away.

Lampshade Business in a Box!

We have built a special start-up pack that puts you in business straight away enabling you to make small, medium and large lampshades for only £3.65 per unit.

The start-up pack is supplied in three compact boxes so it's very easy to store and access when you need to make the lampshades.

Package includes our best selling manufacturing packs containing:-

50 units x 20cm Small
30 units x 30cm Medium
30 units x 40cm Large

Total Price £402.44 + Vat

Saving £100 (20%) on the manufacturing pack price.

Lampshade Making Workshop Packs

Designed for schools, craft workshops and social groups these packs contain everything students need to make professional lampshades using their design of choice.

They offer the opportunity to do something really creative and sociable with the added bonus of learning valuable new skills.

We supply all the instructions and have Power Point and PDF presentations to help you teach your class or workshop.

Lampshade Materials & Components

We supply everything you need to make lampshades including Materials, Frames, Laminates, Ringsets, Tapes, Trimmings, Tools, Adhesives, Fire Proofing Sprays and much much more.

We also offer free help and advice, so you can call us anytime to discuss any project.

Our Brands
