

This is a blank template 120mm high x 220mm wide, delete all this info and design for your candle.

Use High Resolution images minimum 300 DPI When you are finished and ready to send us the file, save as a high resolution PDF

**Tips**

This template is designed to wrap all the way around the candle.

If you want to see an image or any message or poems at the front of the candle keep the size to 70mm wide like the size of the image showing.

Otherwise the image or text will be wrapped round.

Make three sections like the template example below
